Children's Playground / Play Builder Programme

We met with Martin Hyde from Lewisham GreenScene in March and the next step will be to hold an open meeting with them and the Landscape Architects assigned to the task. We were hoping that this would be late in April but, aware of what date it is, hope it will be very soon.

We'll let you have the details as soon as we can so that as many people as possible can get involved from the start.

Remember to check out the Horniman Triangle or Friendly Gardens to see what has already been achieved through this programme.

New Signs in the Fields

Have you seen them? What do you think?

We've been invited to give feedback to Lewisham on this "pilot" of new signs.

Share your thoughts with us and we'll pass them on. Or email Rob.Page@lewisham.gov.uk. Or, even better, **do both**.
